

BEN MCKENZIE'S LATE NIGHT GAMES NIGHT: THE BOARD GAME!

THE RULES: Place a counter (coin etc) for each player on "START". On your turn, move your counter one space right or down. Follow the instructions where you land to attempt a challenge; if you pass, move one extra space right or down.

Only do one challenge per turn, and you can't pass a challenge using the same answer as a previous player.

The player on your left goes next; first to land on "FINISH!" wins the game - if they complete the final challenge!
